

Friday 9th July 2010

Year 1 Materials needed

The week beginning 12th July Year 1 will be required to bring in some materials to help them with their DT and Art. Each Year 1 child will need to bring in a shoe box and any old pieces of wallpaper you may have by Tuesday 13th July. In addition, any natural materials that can be collected from your garden should be brought in, in a plastic bag at the beginning of the week to help the children create 3D natural sculptures. Thank you.

Open Afternoon Friday 16th July 2010

We look forward to seeing you all next Friday 16th July for our Open Afternoon. The afternoon starts at 1.25 pm immediately after registration. Your child will take you to visit their current classroom and the class they will be in next year and you will have the chance to look at the work they have been doing this term. Once you have finished your tour, you will be able to take your child home with you. Please make sure that you sign your child out on the class list to show they have left the school building (for fire regulations).

School Vegetable Garden

We are after 12 families to look after either the reception or playground veg gardens over the summer holiday for a week at a time.

The minimum requirement is to pick the veg, eat it and water the garden. If you would like to do more it is up to the family. There is always weeding and sowing to do so that there will be stuff in the garden at the beginning of term. Do not worry if you know nothing of gardening instruction will be given on request!

If you would like to have a chance at experiencing life with a veg garden please:

- email - schoolgardener@btinternet.com
- phone 222019
- talk to me, Nick, in the playground

Information required:

Name, available dates, contact details, preferred garden.

Ice Cream Day

On Friday 16th July it is the school's Open Afternoon and consequently it has been decided to hold the Ice Cream Day on Thursday 15th July instead. It was felt that there would be too many people coming and going on the Friday to be able to make it work well.

Surrey Arts - Music Lessons

If your child will be in Year 2 next year and you would like them to have music lessons, you need to apply directly online to Surrey Arts. Their website address is: www.surreycc.gov.uk/arts or call for forms and further details on 01372 832912.

The school has a limited number of violins for hire at £22.00 per term and these will be allocated on a first come first served basis. Please speak to the school office about this.

Alert from Eco Club

Look out for information next week about our first ever Green Picnic which is to be held on the final day of the school year; July 23rd 2010. Thanks

Limpsfield Leavers' Service for Year 2 Children

On Wednesday 14th July 2010 the Year 2 children will be going to Limpsfield for a leavers' service with other Southwark Diocese schools in this area. We should be grateful if you could provide your child with a packed lunch on that day as they will not be back to Reigate Parish until about 2.30 pm. We also need a few parent helpers to accompany us on the trip, so if you are able to help, please can you speak to Mrs Kelsey or Miss Thompson.

Mathletics and Maths Bags

We will be sending home an information sheet about a maths programme called "mathletics" which we are trialling in school for the next two weeks. Your child will receive a password with this sheet, if you would like to use this numeracy resource at home on your computer. We would greatly appreciate your feedback on the programme. Please email info@reigate-parish.surrey.sch.uk or write a note to me via the school office.

If you don't have a computer at home you can access this programme at your local library via the internet.

Also any parents in Year One or Two with maths bags still at home, please return them to school so we can get them ready for next year. Many thanks.

Mrs Jagtiani

Scooter Park

Mr Sears, the caretaker, is extending the scooter park and needs about 50 bricks and some sand. Do you have any that you could donate to the school - perhaps left over from building work you have had done? If so, please can you speak to Mr Sears who has said that he can come and collect. Thank you.

Butterflies - Show and Tell

Next Friday, 16th July, Show and Tell in Butterflies class is "My Favourite Thing". So please remember to give your child their favourite item to bring in to school on that day. We will make every effort to look after these things but please do not send in anything too precious.

Year 2 Lunch Payments

This is a note to Year 2 parents to say that the final lunch payment is now due for those who have not already paid the second instalment. We should be grateful if you could make this payment immediately please. Thank you.

Celebration Assembly

Our Celebration Assembly this week was on Wednesday linking in with Feeling Good Day. The children made

- friendship bracelets
- friendship cards in which they described what they liked doing
- and used the story of the Rainbow fish where they said what qualities make a good friend.
